Berlin

Berufserfahrung

Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ)
GmbH

Project Manager "International Delegations"

Januar 2018 - Present (3 Jahre 11 Monate)

Berlin und Umgebung, Deutschland

GIZ is a provider of international cooperation services for sustainable development and international education work, dedicated to building a future worth living around the world. GIZ has over 50 years of experience in a wide variety of areas, including economic development and employment, energy and the environment, and peace and security. The diverse expertise of the federal enterprise is in demand around the globe, with the German Government, European Union institutions, the United Nations, the private sector and governments of other countries all benefiting from the GIZ services. The organization works with businesses, civil society actors and research institutions, fostering successful interaction between development policy and other policy fields and areas of activity. The German Federal Ministry for Economic Cooperation and Development (BMZ) is the main commissioning party.

Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ)
GmbH; Development Policy Forum

Event Project Manager

Februar 2017 - Oktober 2017 (9 Monate)

Berlin

Development Policy Forum: We shape dialogue processes that focus on future options of development policy. These processes make a substantial contribution to agenda setting in this political field. Starting 35 years ago, we have been working for several Federal German ministries, and currently for the Ministry for Economic Cooperation and Development (BMZ). Technically, we are a unit of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. While we are headquartered in Berlin and Bonn, our events are held across the globe.

Kiron Open Higher Education gGmbH

Project Manager: Language School & Events

Januar 2016 - Dezember 2016 (1 Jahr)

Kiron Open Higher Education provides a learning environment for displaced people to guarantee excellent higher education. Everywhere, anytime and without fees. The vision is to eliminate borders to accessing academic education. The Vision is to give displaced people new perspectives to a better future through education - regardless of missing documents. Kiron wants to give refugees back their dignity to have a self-determined life by providing them with the basic human right of higher education.

Kiron uses an innovative combination of online and offline elements to provide accessible, sustainable, and cost-effective education.

Kiron Open Higher Education offers much more than just online learning. The vision is to reinvent the traditional concept of a university: with a diverse range of partners, we are striving to create an education model that is more accessible, more human-centred, and more supportive of personal growth. For this we offer language school, psychological support, buddy- and mentoring programmes besides the online courses.
